Dear Commandant

I had a few of the Fermoy boys here on Sunday and a piper. I addressed 2 meetings and I fancy as a result I will have a good company in full swing at once I have 12 already. We came to the conclusion that Rathcorran would be a very central place for a strong muster. Sunday Oct. 10<sup>th</sup> would be a suitable day if you could arrange it. If you could get Mitchelstown and Glanworth also to come on that date, I could have placards

hosted through the district. This is about  
the best rallying center. If you had  
some of your men fully equipped it would  
be O.K. Let me know if date suits and  
state the hour. I don't know how  
mellow stands as I cannot get in  
touch with them
