17.7 REJUVENATION PLAN FOR THE LOCAL AUTHORITY ESTATE IN MAYFIELD

‘That Cork City Council produce a comprehensive rejuvenation plan for the local authority estate in Mayfield which is now almost 50 years old. Such a plan should not only involve refurbishment of housing units but should also include assessment and rejuvenation of the built environment. Such a plan should address mistakes of the past including the passageway known as the Tarry Path which runs between the blocks of houses. Unfortunately a minority continue to use this area as a focus for anti-social behaviour and illegal dumping. This is a reasonably large area which could be used for infill housing, especially 1 or 2 bedroom units which are so badly needed.’

(Proposer: Cllr. T. Tynan 17/177)

Housing and Community Functional Committee
